Rausch Catalog "New" Format This Year

Every Registered animal has performance data expressed in picture form.
 Quick and easy interpretation of performance data for bull buyers. **Every bull is indexed for use on black cows.**

Sample of typical Rausch Bull with performance data expressed in picture form.

- 50% is the average of the Hereford breed.
- There are as many animals in the breed below 50% as there are above.
- Each bar is an EPD expressed in the picture form.
- EPDs are calculated the same as in the past.
- EPDs represent the genetic potential of each trait of an animal.
- EPDs are based on his own data as well as data of animals in his pedigree.
